Sir:

This reply is in response to an Election/Restriction Requirement in an Office Action dated 11/02/2010. It is noted that the office action summary refers to claims 1-14, whereas the application was filed with 22 claims (See File Wrapper Document Claims on 7-18-2006). Furthermore, the office action on page 4 refers to Group IV directed to claim 14. Applicant confirmed with the examiner by phone on 2/3/2011 that the claims pending are indeed 1-22 and that Group IV refers to claims 14-22. With this reply, the Applicant elects group IV directed to claims 14-22.

Respectfully submitted,
/Ron Jacobs/
